

To the membership of the Michigan Association of Airport Executives,

Like you, we are saddened that the COVID-19 pandemic required the cancellation of the 2020 Conference at Mission Point on Mackinac Island. However, we still invite you to visit Mission Point to be our guests when you're ready. While we can't give you a welcome hug upon arrival, you can rest assured our team as well as the entire community of Mackinac Island are working hard to monitor and follow all state and local guidelines in order to keep island travelers safe and healthy this season.

Mission Point is pleased to offer the negotiated conference rate to all members of the Michigan Association of Airport Executives. Enjoy rates of \$139-269 during the dates of Monday, September 14th - Friday, September 18th, 2020. We would like you to enjoy the resort with your fellow colleagues, family, and friends!

If you're curious to see what we've been doing around the hotel to ensure a safe visit, please feel free to view our full [Mission Point CARES Cleanliness Plan](#) - a transparent compilation of all the protocols we have in place. And, if travel plans are temporarily on hold, you can still give you and your loved ones something to look forward to by purchasing a [Mission Point Gift Card](#) to save for a future visit to the Island.

We look forward to being your hosts at Mission Point. Thank you for your interest and support of our iconic destination!

- Debbie Denyer and the Mission Point Team
